

Middleton Cross Plains Area School Forest –Forest and Field Day

May 18, 2017 -12:30-2:30 pm (Rain date –May 22)

Please join the students and staff at Park School while they explore the forest resources that were purchased using funding from a \$9875.00 grant from the Wisconsin Environmental Education Board.

Students and staff will rotate through stations that will showcase resources available to teach in our school forest, 5 of the stations will be facilitated by the 5 school forest team members (Brenda Autz, Lisa Breunig, Cassie Roberts, Jodi Klare, Amy Callies). The other 2-3 stations will be resource exploration stations-student non-fiction books about the forest, student magnifying loupes, student field guides used to identify plants and animals in the forest.

Please feel free to drop by and join the festivities!
