**MIDDLETON-CROSS PLAINS AREA SCHOOL DISTRICT'S SUPPORT FOR PARTNERSHIP
WITH THE CITY OF MIDDLETON FOR PROGRAM CAPACITY NEEDS**

WHEREAS, the MCPASD and City have a long-established mutually beneficial working partnership as evidenced by an extensive master lease of properties shared by the two entities; the previous high school expansion in the year 2000; the development of Firefighters' Park, as well as Kromrey Middle School; and a strong mutual desire to provide leadership in sustainable development and additional partnership with the Middleton business community through the Middleton Chamber of Commerce, among many other accomplishments; and

WHEREAS, we believe that by working together we can create a comprehensive long-term solution to the District's growth needs; and

WHEREAS, we value the youth of the community, and all of our goals in working together will be developed with the best interests of the community's future; and

WHEREAS, a public/private partnership will help engage the business community in the success of the school district, and the MCPASD is committed to that engagement in partnership with the City; and

WHEREAS, the City's Tax Increment District (TID) #5 adjacent to the current high school campus provides a vehicle for the aforementioned partnership with two property owners (the Pines Center and Pohlkamp properties) willing to sell; and

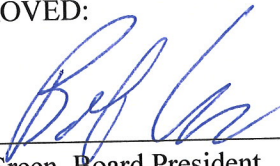

WHEREAS, the continuation of this partnership is contingent on a voter-approved referendum tentatively planned for November 2018.

NOW, THEREFORE, BE IT RESOLVED, that in consideration of the MCPASD's and City's proposed partnership, the MCPASD supports the action of the Common Council to commence efforts to accomplish the project, contingent on all legally-required subsequent Common Council approvals of all further actions.
