
EXECUTIVE SUMMARY REPORT

ADDITIONS & REMODLEING TO: KROMREY MIDDLE SCHOOL

10/10/2014

What's New?

The exterior of the building has been completed. Final work on the three story building is complete and students will occupy the building in one week. Furniture is installed in 2nd and 3rd floor. Installation of furniture on first floor is ongoing.

The Past Weeks

- Owner furniture installation – Area A & B

Coming Up in the Weeks Ahead

- Students move into there new building!

Front side of the three story - Site

7th grade class room – A & B

Back side to the three story (Art Rooms & Library) – A & B

8th grade collaboration space – A & B

Did you know? That 78 out of the 81 total classrooms have natural daylighting, this means that 96% of all the classrooms have natural sun light coming into there classrooms. By using this sustainable strategy, Kromrey Middle School is able to save on the lighting costs.
