Executive Summary Report

Kromrey Middle School

Last two weeks:

- 5th Grade Exterior Masonry
- 5th Grade Roof Structure
- 6-8th Grade Structural Steel
- Concrete Foundations

Coming up in the next few weeks:

- 5th Grade and Cafeteria Exterior Masonry
- 5th Grade Roof Installation
- 6-8th Grade Structural Steel
- Complete Foundations

Inside the 5th grade wing mechanical, electrical, and plumbing rough-ins have started.

In the cafeteria underground plumbing is being installed for the restrooms.

Along Donna Drive the installation of the brick and stone facade of the 5th grade wing is underway.

Looking down the corridor from the cafeteria the installation of the structural steel of the 6th, 7th and 8th grade wing has begun.

Structural steel has arrived and is being installed on the 3 story wing for 6th, 7th and 8th grade students. With brick and stone underway on the building exterior the project has changed quite a bit over the last two weeks.
