
EXECUTIVE SUMMARY REPORT

ADDITIONS & REMODLEING TO: KROMREY MIDDLE SCHOOL

11/07/2014

What's New?

Phase II is complete. The three story building has been finished, and landscaping in this area is done. The 6th, 7th, and 8th grade students have moved to the new building and old Kromrey is now vacant. Abatement of the old building will begin next week with demolition to follow later this year.

The Past Weeks

- Students have moved into the new space – Area A and B

Coming Up in the Weeks Ahead

- Abatement of the existing building begins – Existing Building
- Demolition of existing locker room – Existing Building

Old building has been vacated – Existing Building

Language Classroom – Area A

Students have moved into the three story building – Area B

Collaboration Space – Area A & B

Did you know? The original Kromrey Middle School was built in the 1960s. Since that time, there have been multiple additions. When the new Kromrey is complete, the only remnants from the old school will be the gym and locker rooms which were added in the early 1990s.
