
EXECUTIVE SUMMARY REPORT

ADDITIONS & REMODLEING TO: KROMREY MIDDLE SCHOOL

08/01/14

What's New?

The main parking lot has been paved, and all lines have been painted on the new asphalt. In addition to the paving in the main lot, porous asphalt has been placed on the path behind the cafeteria. The existing gym has been painted, and the concrete floor is being prepared for the installation of the new synthetic floor. All systems in phase I of the project have been tested, and this area is ready for furniture to be moved in. Vinyl floors are being installed in the eastern 7th and 8th grade classrooms, and casework installation is continuing throughout the western half of the 6th, 7th and 8th grade wing.
