

EXECUTIVE SUMMARY REPORT

ADDITIONS & REMODELING TO: KROMREY MIDDLE SCHOOL

08/14/2015

What's New?

With only a few weeks until school starts for the Cougars, Findorff has been busy getting everything ready! We have traffic striping done, and the landscapers are working to finish up the exterior plantings and get the site looking perfect! Final touch ups are being done and striping is ongoing in the fieldhouse! Looking great coming into the final weeks of the project!

The Past Weeks

- New fieldhouse floor
- Miscellaneous touch ups
- Owner furniture move-in!
- Site fencing and landscaping
- **Coming Up in the Weeks Ahead**
- Striping in the fieldhouse
- Flooring in the main fieldhouse corridor
- Bleacher Install
- Site landscaping

Owner furnishings are going in!

Gym floor striping is laid out and being painted!

Glacier Creek's Library was able to get a face lift with cost savings from the project!

Freshly mowed grass from Friday morning! (8/14/15)

Did you know? The new fieldhouse has enough to have three basketball games going at once, or three volleyball games, or even twelve badminton/ pickle ball games! This is a very versatile space, it even has a running track going around it!
