
EXECUTIVE SUMMARY REPORT

ADDITIONS & REMODLEING TO: KROMREY MIDDLE SCHOOL

09/26/14

What's New?

The exterior of the building is wrapping up. The last bit of sod has been laid as well as the last of the permanent seeding. The inside is wrapping up as well. Flooring is complete, railings are hung, and finish carpentry is complete. Final cleaning finished up this week as well. Over the next week, owner furniture will begin to flow in and find a home. The first students will set foot in their new space in less than one month!

The Past Weeks

- Flooring in the stairwells have been completed – Area A & B
- Final cleaning of the three story building has been completed – Area A & B
- Fence posts have been installed on south west slope - Site
- Landscaping has been completed – Site

Coming Up in the Weeks Ahead

- Furniture installation – Area A & B
- Students move in to the three story building – Area A & B

Stairs are complete – Areas A & B

Completion of guard rails on the south side of the building - Site

Owner furniture has began to come in and take its place in the collaboration area's – Area's A & B

The school gardens have been created on the southwest end of the building – site

Did you know? Each collaboration has one wall painted with dry erase paint that will allow students and teachers to write directly on the wall.
