United Way  
of Dane County

Dear Parents/Guardians of Incoming Ninth Grade Students,

## YOU'RE INVITED TO:

### Tools for a Successful Transition to High School

Wednesday, May 22<sup>rd</sup> 5:30pm-8:00pm

(In the Middleton High School Courtyard: 2100 Bristol Street)

- ❖ This event is FREE!
- ❖ Childcare and Transportation Available (Please RSVP for this.)

*The evidence is clear: If teens are successful in their freshman year, they usually continue to be successful throughout high school. Students who struggle in their freshman year and don't get a foothold may disconnect from the positive influences in their lives and move towards truancy, behavioral changes, or drug/alcohol abuse. The idea is to be successful right from the start!*

→Light Dinner from 5:30-6:00pm

→**This event includes information for both you and your teen(s).**

- Information about how teens think and learn
- Local data on the challenges that teens are facing at Middleton High School
- Panel Discussion with school staff, students, and community resources

→**Learn your student's placement** in Red Maple or White Spruce House (dean, counselor, and social worker team) and 9<sup>th</sup> Grade Advisory Teacher—These are the adults that will help you transition to MHS.

→**Sign up for summer advisory conferences**—So make sure to bring your calendars/planners!

Join us on May 22<sup>rd</sup>,

So you and your teen can be better prepared for the transition to high school.

**To allow us to plan for food, childcare, and transportation needs,**

**Please RSVP to:**

Jay Young or Frances Mozer, MHS Parent Engagement Coordinator
