Anime- May Not Occur - To Be Determined

Contact: TBD

Art

5th and 6th grade art club will be held on Tuesday mornings starting at approximately 7:30. We will be working with a wide variety of art materials and art methods. 7th and 8th grade art club will be meeting on Thursday mornings starting around 7:30. This year we will continue with our transformation of our ceiling tiles into copies of famous works of art.

Contact: Mr. Forcier cforcier@mcpasd.k12.wi.us

Broadway Express

Broadway Express is a theatrical club which rehearses Broadway musical scenes and is open to 7th and 8th grade Choir members. Members are required to attend one practice per week.

Contact: Ms. Clark kclark@mcpasd.k12.wi.us, Ms. Shipley ashipley@mcpasd.k12.wi.us

Computer Science

Computer Science Club will be a space for 6th-8th grade students to come and explore everything Computer Technology has to offer. This includes, but is not limited to: programming, gaming, MineCraft, and multimedia. Guest speakers, field trips, and competitions will be parts of the club. This club will meet on certain Thursdays after school throughout the year beginning in late September.

Contact: Mr. Miles bmiles@mcpasd.k12.wi.us

Cross Country

Cross Country begins in September for students in 6th, 7th, and 8th grades. Practices are held after school M-TH, and meets are held in the surrounding areas which include runs of 1.5-2 miles. Cross Country is a great entry level into the sport!

Contact: Mr. Meeteer mmeeteer@mcpasd.k12.wi.us

Drama

Our goal is to provide a theater option for performance-minded students at KMS. Students in Drama Club will have the opportunity to delve into the world of stage performance -- they will learn basic stage skills and etiquette, performance technique, and gain experience working collaboratively toward a unified end goal. In other words, we will play theater games, improvisation, and develop characters through scenes and monologues! Drama Club is open to all students 5th-8th grade, and will meet Wednesdays, beginning after Thanksgiving. Keep an eye out in the information alcove and in the KMS weekly eNews for more information!

Contact: Ms. Hannam ahannam@mcpasd.k12.wi.us

E Sports

E Sports club will meet at various times during the school day as well as after school. We will begin the club with a Rocket League Tournament and then move to other games - such as Super Smash Bros Ultimate and MarioKart. All games played in E Sports Club will be rated E for Everyone. This club is for 7th & 8th grade.

Contact: Brian Miles bmiles@mcpasd.k12.wi.us

Forensics

Forensics gives students the opportunity to practice and enhance public speaking and acting skills. Skits, readings and other performances are rehearsed and performed at 3 meets which include 12 area schools. Forensics will start in December and run through the middle of February.

Contact: Ms. Festge sfestge@mcpasd.k12.wi.us, Mrs. Rose hrose@mcpasd.k12.wi.us

GSA - Gay Straight Alliance

Any Kromrey students that are interested in making Kromrey a better and more supportive place for all students. Students who are LGBTQ are welcomed, as are their allies! Staff advisors are Ms. Kopa and Mrs. Rose.

Contact: Ms. Kopa bkopa@mcpasd.k12.wi.us or Mrs. Rose hrose@mcpasd.k12.wi.us

Intramurals 5th & 6th Grade - TBD May Not Occur

Intramurals gives students a chance to participate in a variety of activities after school for an hour. Games will be very active so expect a good workout! Activities will include, but not be limited to, team handball, futsal, dodgeball, floor hockey, and basketball. Begins in February.

Contact: TBD

Intramurals 7th & 8th Grade - TBD May Not Occur

Intramurals gives students a chance to participate in a variety of activities after school for an hour. Games will be very active so expect a good workout! Activities will include, but not be limited to, team handball, futsal, dodgeball, floor hockey, and basketball. Begins in January.

Contact: TBD

Library

The LMC will be open at 7:45 a.m. each morning for students who need to work or check out books. The computers and printing are available. Please sign in at the front door when you arrive.

Contact: Ms. Marshall nmarshall@mcpasd.k12.wi.us

Math 24

5th and 6th grade students are invited to join an after-school Math 24 club. Students will add, subtract, multiply and/or divide four numbers on a card in order to make a total of 24. This fast-paced game sharpens basic math skills such as computation, problem solving and pattern sensing. Students who are interested will also have the option to compete against same-grade students from both KMS and Glacier Creek for a position on the district's Math 24 Team. These teams will travel to Union South on the UW-Madison Campus to compete against students from the Dane County area. Trophies are awarded to the top teams!

Contact: TBD

MATHCOUNTS

All students in 6th-8th grade are invited to be a part of the MATHCOUNTS Club. MATHCOUNTS is a national program that involves working on innovative math problems and concepts. Student can join the club just for fun, but also all club students will be invited to the District MATHCOUNTS Competition in January. After that competition, the top 10 scoring students will continue to meet until the Regional Competition to be held on the UW-Madison Campus in early February and possibly advance to the State Competition. The Competition Series is ideal for students who have a passion for math and enjoy math challenges. MATHCOUNTS will meet weekly after school from 3:45-4:45 starting in October through the winter with any students who continue to advance.

Contact: Mr. Saltzman bsaltzman@mcpasd.k12.wi.us

Minecraft Club

5th grade students will have the opportunity to play Minecraft in an Education server with other 5th graders. This club will meet on certain Thursdays after school throughout the year beginning in late September.

Contact: Mr. Miles bmiles@mcpasd.k12.wi.us

Morning Movement Mayhem

This club provides students with the opportunity to start their day off with a variety of movement options. Students will choose from a diverse “menu” of activities, including fitness activities (walking, jogging, strength development, jump rope, obstacle course, etc.), free time, small-sided games, and “whole group” organized games. Attendance is flexible, as students who sign up may attend any session they are able to. No better way to start off the day – come and join the fun! We will start in December.

Contact: Mr. Meeteer mmeeteer@mcpasd.k12.wi.us

Music Theatre Set Design Club

The set for Music Theater will be designed and painted by students 3:45-4:45 pm in room 605 beginning in January.

Contact: Mr. Forcier cforcier@mcpasd.k12.wi.us

Rockets

This club is available to 8th grade students enrolled in either Gateway to Technology (EOD), Exploratory (EOD), or Engineering and Technology (everyday) classes.

Contact: Mr. Dimpfl jdimpfl@mcpasd.k12.wi.us

STEM Club

We work on science, engineering, technology, and math (STEM) based engineering projects with kids in grades seventh and eighth to teach them more about the field of engineering and industry. Some of the projects we do include woodworking, 3D printing, solar ovens, and much more! We invite all innovators and creators to join our club!

Contact: TBD

Student Council

This club meets all year long and develops a variety of activities for the school and community.

Contact: Mr. Miles bmiles@mcpasd.k12.wi.us

Track & Field

Learn beginning skills in Track. Try various running and field events, get an idea of how practices and meets work, and compete with your peers! Practices begin in April. Track is unique because there is something for everyone - the sport has many facets.

Contact: Mr. Meeteer mmeeteer@mcpasd.k12.wi.us

Ultimate Frisbee

Ultimate frisbee is a club available to all students in 6th - 8th grade. Ultimate combines the non-stop movement and athletic endurance of soccer with the aerial passing skills of football on a field similar to a football field. Ultimate is governed by Spirit of the Game, a tradition of sportsmanship that places the responsibility for fair play on the players rather than referees. The fall session of Ultimate Frisbee club goes from September through the end of October and the Indoor session of Ultimate goes from January until the end of March.

Contact: Ms. Reynolds kreynolds@mcpasd.k12.wi.us

Volleyball

Intramural volleyball is open to all 7th and 8th graders interested in building their existing volleyball skills and abilities while developing the skills necessary to play competitively on other teams. Teamwork and cooperation is promoted among all team members. This is a fun yet focused opportunity where players are expected to show up to practice on time, show respect to everyone, participate in games, and try their best. Girls begin in September; boys begin in October.

Contact: Mr. Meeteer mmeeteer@mcpasd.k12.wi.us or Ms. Brezenski kbrezinski@mcpasd.k12.wi.us

WEB Leaders

Contact: Ms. Hannam ahannam@mcpasd.k12.wi.us or Ms. Burke kburke@mcpasd.k12.wi.us

World Language

World Language Club explores world cultures through media, arts and crafts, food, and gardening. World Language Club is open to 5th-8th graders and meets after school several times a month throughout the year.

Contact: Mr. Voss mvoss@mcpasd.k12.wi.us

Wrestling

Learn the fundamentals of Wrestling. Beginning in October/November and running through December, athletes practice Monday - Fridays and participate in meets.

Contact: Mr. Vezzetti ben.vezzetti@gmail.com

Yearbook

In the yearbook club, students design the yearbook pages and create a yearbook for the entire school. Students take pictures, work with layout and learned about design techniques. Yearbook starts to meet in September and is split into two groups: one group for 5th and 6th grade students as well as a group for the 7th and 8th grade students.

Contact: TBD
