OPTION B

How well does **OPTION B** meet the criteria? (indicate # of votes in appropriate cell)

Criteria	Yes	No	Don't Know
1. Projected Enrollment & Building Utilization			
2. Address Barriers to Student and Family Engagement			
3. Neighborhood Unity			
4. Duration of Boundaries/Minimize Impacts on Students			
5. Fiscal Responsibility			
6. Elementary to Middle School Feeder			
7. Contiguous Attendance Areas			
8. District Transportation Efficiency			

Does **OPTION B** (or variations to this option) merit further consideration?
 (indicate # of votes in appropriate cell)

_____ Yes, as-is _____ Yes, but only with variations _____ No

Which of the following Committee member recommended variations to **OPTION B** should be explored? Tally the number of group member votes for each variation and connect lines to link those to be considered in combination.

- _____ 19 to Sauk Trail
- _____ 23 & 27 to Elm Lawn (C)
- _____ 25 to Sauk Trail (E)
- _____ 26N to Sunset Ridge (C, D, E)
- _____ 52, 54 & 55 to Sunset Ridge (C)
- _____ 66-71 to West Middleton (A)
- _____ 63 & 65 to Pope Farm (A, D)
- _____ Other: _____
- _____ Other: _____
- _____ Other: _____

OPTION C

How well does **OPTION C** meet the criteria? (indicate # of votes in appropriate cell)

Criteria	Yes	No	Don't Know
1. Projected Enrollment & Building Utilization			
2. Address Barriers to Student and Family Engagement			
3. Neighborhood Unity			
4. Duration of Boundaries/Minimize Impacts on Students			
5. Fiscal Responsibility			
6. Elementary to Middle School Feeder			
7. Contiguous Attendance Areas			
8. District Transportation Efficiency			

Does **OPTION C** (or variations to this option) merit further consideration?
 (indicate # of votes in appropriate cell)

_____ Yes, as-is _____ Yes, but only with variations _____ No

Which of the following Committee member recommended variations to **OPTION C** should be explored? Tally the number of group member votes for each variation and connect lines to link those to be considered in combination.

- _____ 8-11 to Northside (B, D)
- _____ 14 to Sauk Trail (A, B, D)
- _____ 16 to Sauk Trail (B)
- _____ 16W to Sunset Ridge
- _____ 25 to Sauk Trail (E)
- _____ Incorporate Option D assignments for all schools aside from Pope Farm & West Middleton
- _____ Other: _____
- _____ Other: _____
- _____ Other: _____

Updated Option Evaluation
July 22, 2019 Attendance Boundary Committee Meeting

Group #: _____

OPTION D

How well does OPTION D meet the criteria? (indicate # of votes in appropriate cell)

Criteria	Yes	No	Don't Know
1. Projected Enrollment & Building Utilization			
2. Address Barriers to Student and Family Engagement			
3. Neighborhood Unity			
4. Duration of Boundaries/Minimize Impacts on Students			
5. Fiscal Responsibility			
6. Elementary to Middle School Feeder			
7. Contiguous Attendance Areas			
8. District Transportation Efficiency			

Does OPTION D (or variations to this option) merit further consideration?
 (indicate # of votes in appropriate cell)

_____ **Yes, as-is** _____ **Yes, but only with variations** _____ **No**

Which of the following Committee member recommended variations to OPTION D should be explored? Tally the number of group member votes for each variation and connect lines to link those to be considered in combination.

- _____ 7 to Northside (A, B, C)
- _____ 8, 9, 10, and/or 11 to Sauk Trail
- _____ 14 to Sauk Trail (A, B, D)
- _____ 16W to Sunset Ridge
- _____ 16E to Sauk Trail
- _____ 19 to Sauk Trail
- _____ 23 & 27 to Elm Lawn (C)
- _____ 54 & 57 to Sunset &/or Pope
- _____ 68 & 69 to West Middleton (A)
- _____ Incorporate Option C assignments for Pope Farm & West Middleton
- _____ Other: _____
- _____ Other: _____
- _____ Other: _____
