MADISON YOUTH TEAM TENNIS

This is not a school-sponsored activity and the Middleton-Cross Plains Area School District does not provide support or endorsement of this program/activity. It has neither reviewed nor approved the program, personnel, or activities announced in this brochure/flyer. Permission to distribute this material must not be considered a recommendation or endorsement by the school district.

Tennis provides numerous benefits beyond good health and activity. Kids learn **teamwork, communication, balance, agility, hand-eye coordination, problem-solving** and **self-reliance**, all while having fun and making friends. Midwest Youth Team Tennis uses smaller courts, shorter racquets and lower bouncing balls, so youth players will achieve greater physical activity and feel successful at tennis right from the start.
