Cheryl,

I just wanted to provide a comment for tonight's School Board meeting. For Item 8b (SROs and Crossing Guards), I am in full support of continuing the contracts with the Middleton and Cross Plains police departments to provide School Resource Officers to the middle and high schools. Thank you.

Cheryl,

This is the other communication I received on the topic of SROs in school prior to the June 22 meeting. Let me know if you have any questions.

Annette

Hello,

Congratulations to you on your School Board Election!

My husband read something recently which stated that you are planning to remove police officers from school campuses in the district. I would like to go on record that my husband and I both believe this is not the best move to make. We feel strongly that the threat level of an officer at the school is much lower than the threat of a shooter infiltrating and harming students. The safety of our students is so important. Our family felt more secure knowing that there was a police officer nearby. Their presence is a deterrent for anyone considering making the wrong choices. We would like to ask you to please reconsider your stance prior to the start of the school year.

If you did not make this statement, and my husband was mistaken, then I apologize for the misunderstanding.

Thank you very much for your time,
