

ACCELERATED LEARNING PROGRAM (ALP)

ALP is an intense, three-week program designed to push students to the next academic level and create an engaging learning space where students can build lifelong friendships. Students enroll in a single research-based course for an in-depth experience. Students have the opportunity to work with their school to receive high school credit for each course.

2021 Courses Include:

- Principles of Economics
- Contemporary Astrology
- Neuroscience
- Computer Science
- Fundamentals of Immunology
