ALP is an intense, three-week summer camp designed to push students to the next academic level by enrolling in a single course for an in-depth experience. Students enroll in a single course for an in-depth experience. Students will participate in an individualized learning experience focusing on research and application of course concepts.	The 92 <sup>nd</sup> annual Summer Music Clinic will look a bit different this year in a virtual format! SMC will run in 3-day intensive online experiences to grow students as musicians and build authentic community connections. Check out all of the new opportunities SMC has in store this summer.	Badger Summer Scholars is a transformative learning opportunity for high school students across several academic areas of interest. Applicants should be ready to take the next step in their academic journey and to engage in a rewarding college program with peers from all over the country.	Online courses for high school students in grades 9-12. Each live online course meets for two weeks and includes high-quality educational and social content to help prepare students for the college experience. Classes are offered synchronously, meaning that students are together in the same virtual classroom at the same time.
