

# Central Midwest Ballet Academy's

## Summer Programming

Ages 8 +

### Beginner Class

A great way to learn a new skill over the summer. Running for eight weeks, you can select which weeks work for your busy summer schedule (5 week minimum). Learn the basic foundational terminology, positions, and movements upon which all of ballet is built! No prior experience needed.

Ages 8 -12

### Beyond Ballet Camp

With classes in ballet, modern, jazz, and hip hop, this camp is an excellent way to experience a dance form you may never have tried before while still perfecting your technique. There is a medley performance on the final day for you to show off your new skills!

### Onstage & Backstage Camp

Learn what it takes to get a show onstage! Each day begins with a ballet class and then you'll try your hand at designing playbills, and costumes, selecting music, and choreographing. You will get to tour a theater and perform your new work at the Showcase on the last day. In short, be the dancer AND the Director!
