*"Because of the experiences and opportunities he has had at Clark Street, my son knows who he is and has become a much greater version of himself!"*

Parent of a CSCS student

Dear Private School District Families:

Students and families in the Middleton Cross Plains Area School District are fortunate to have some excellent options in their high school education. Clark Street Community School (CSCS) is a small, progressive high school with a history of success in implementing innovative, research based practices to truly engage students as learners and help them develop a deep sense of identity and the skills and dispositions for future success. If you are looking for a school committed to creating the conditions for students to learn "how" to learn within a supportive, connected community that challenges each member to grow and become their best, we would love to have you come learn more about CSCS.

Please join us for one of our upcoming Open Houses:

November 29 6:30-8pm

December 2 10:30am-noon

December 7 6:30-8pm

We also host several CSCS Experience Days for prospective students and their families (12:30-3:40pm each day):

December 12

January 4

February 8

We encourage students and families to apply for admissions by January 5, 2018, when our lottery will be held if we have more applicants than openings. The application and much more information can be found at our website at <http://www.clarkstreetcommunityschool.com/>

We look forward to seeing you soon!

Jill Gurtner, Principal and the CSCS Community

*"Clark Street sets all of its students up not just with the academic/subject knowledge they need to succeed in higher education but truly the disposition and personal skill set they need to take responsibility for their own learning and not only be successful but really thrive and grow in a college setting."*

Beth Giles, Director of Professional Learning UW School of Education

**Live. Learn. Create.**
