

Middleton–Cross Plains
Area School District
inclusive. innovative. inspiring.

Hello District families,

While we won't be holding in-person Information Days in August, we do want to make sure we collect the information we normally do at those events, while also providing families with details about what they collect at our schools on those days.

In a few days, we expect to have a new page available on the District website. Among the steps we are asking families to do online are:

- Logging into Parent Portal to update information for you and your child(ren).
- Signing up for MyPaymentsPlus, which is the new software program the District is using to collect fees and pay for meals.
- Transportation updates, including when route locations and times will be available.
- Signing up for school-specific electronic newsletters.

In addition, as part of the annual student verification efforts we are asking families to take a few minutes to complete this [Qualtrics survey](https://mcpasd.sjc1.qualtrics.com/jfe/form/SV_3WNVDIaIGxpNkjz). You will be asked to complete up to eight sets of questions. If the embedded link doesn't work for you, please copy and paste the following URL into your web browser: https://mcpasd.sjc1.qualtrics.com/jfe/form/SV_3WNVDIaIGxpNkjz.

The last section includes a question about your family's plans regarding virtual learning. While the survey will remain open through August, we are requesting that families complete it by Aug. 10 in order that we can develop cohorts in schools and make final determinations on transportation once we return to in-person instruction for students in our school buildings.

If you are new to our District, you have likely already provided much of the annual student verification information. However, please complete the Fully Virtual Option section of the survey.

If you have questions regarding registration or address changes, please contact the registrar's office at 829-9031 or send an email to reg@mcpasd.k12.wi.us.

If you have questions regarding school-specific topics, please reach out to the office staff at your child's school. Contact information may be found on the District website at www.mcpasd.k12.wi.us.

If you have technical issues with the survey, please email portal@mcpasd.k12.wi.us or call 829-9600.
