

You are Invited to a Scratch Party!

"Fortune Teller"

Friday, January 19th ■ 6:30 - 8:30 PM

Build a Fortune Telling Game

Build a silly fortune telling game to predict the future! We will use lists to keep track of the different possible fortunes, and program one to be chosen at random. Animation effects will make our games magical!

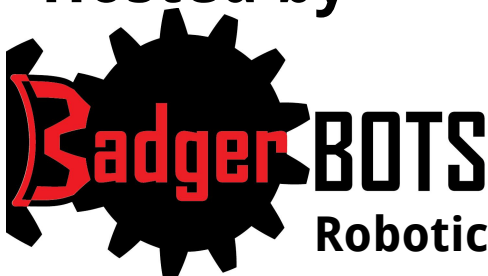

What is a Scratch Party? - BadgerBOTS Scratch Parties are for **learning new skills, sharing your projects** and **meeting other kids who love programming.**

Learn **how to use** a particular block or strategy in Scratch at the start of the night. Then **try out** the Scratch challenge or **work on your own** projects and ideas.

Everyone is encouraged to **share their work!**

Hosted by

Robotics Education Center
7615 Discovery Drive
