
EXECUTIVE SUMMARY REPORT

ADDITION & REMODELING TO: GLACIER CREEK MIDDLE SCHOOL

01/03/2014

What's New?

Finishes are now well underway with drywall nearing completion in the new 5th Grade Wing and painting continuing inside the new Gymnasium. The MEPF crews have shifted to Area D to complete overhead systems. The permanent enclosure of the building is also nearing completion with the recent installation of the permanent building windows. The primary focus over the next couple months will continue to be installation of finishes as well as final completion of the permanent building enclosure system.
