### What's New?

Abatement of the old school is nearly complete. Removal of the roof and demolition of the existing locker rooms and tech ed. rooms are wrapping up.

### The Past Weeks

- Abatement of the old building
- Removal of the old roof
- Demolition of existing locker room and tech ed. room

### Coming Up in the Weeks Ahead

- Demolition continues on the old school
- Start footings and foundation on the final phase of construction – Phase III

*Locker Room Demolition – Old Building*

*East side of the old school – Old Building*

*Tech Ed. room and Hallway – Old Building*

**Did you know?** The Middleton Schools team had a goal of recycling at least 75% of all construction waste, the team has successfully recycled more than our goal so far.
