

EXECUTIVE SUMMARY REPORT

ADDITIONS & REMODLEING TO: KROMREY MIDDLE SCHOOL

06/20/14

What's New?

The site is beginning to take shape: the main parking lot has been graded, front entrance sidewalks have been poured, and the amphitheater is nearing completion. Finishes continue to progress throughout the first phase of the project as carpet and wood doors have been installed in the student services and administration areas. Crews are finishing up drywall in the west portion of the 6th grade area, and painting is continuing in the west portion of the 7th and 8th grade areas in preparation for the installation of casework and lockers. Abatement of the existing gym has begun, and mechanical renovation work in this area has been coordinated.

The Past Weeks

- Drywall installation in the west portion of the 6th grade wing – Area A
- Painting in the west portion of the 7th and 8th grade wing – Area A
- Locker installation in the east portion of the 6th, 7th and 8th grade wing – Area B
- Carpet installation in the Student Services area – Area C
- Wood door installation in the 5th grade, student services, and admin areas – Area C/D
- Abatement of the existing gymnasium – Area D
- Landscaping at the amphitheater – Site
